

# Touch With Oils® Hand Massage Instructor Course

*Two dates offered in 2016*

## *Touch With Oils® Circle of Compassion in Action*

Candace Newman, MAT, LMT      18 CE hrs      NCBTMB Prov #451025-09

This certification course is for those who would like to be **Touch With Oils® Hand Massage Instructors**, and agree to the conditions to do so. Candace is the founder of the Touch With Oils® Aromatherapy work that started in 1992, through her Hospice and retreat work. This is a beautiful, heart-felt tool of peace to teach caregivers, volunteers, customers, clients, families and friends.

**Touch With Oils® Institute is based on a philosophy and a technique**, centering on the Ten Principles of Touch With Oils®. This is based on the synergistic powers of touch & smell, gentle & quiet, and the silent universal language of compassion. The slow, rhythmic technique serves to balance the autonomic nervous system, promote lymphatic drainage, and give the body & mind a deep, quiet rest. Giving and receiving become one.

**The Touch With Oils® (TWO) Hand Massage Treatment** can be incorporated into any therapeutic modality or used as a stand-alone treatment. This work shows that Essential Oils are Microcosms of Holistic Medicine.

*There may be a short home study prerequisite for those with no Aromatherapy experience. Upon approved completion of this course, each student has the opportunity to be a TWO Hand Massage Instructor with Candace (as a member of the TWO Circle of Compassion in Action and with the approved Letter of Agreement). You do not have to become an Instructor to attend this course and learn this life-enhancing treatment.*
